

Declaration of Consent for the Storage and Use of Data

1. Data Protection Requirements

In context with the Vidimsoft Client Area, Vidimsoft BVBA will apply the legal requirements for data protection, in particular regulation 2016/679 on General Data Protection (GDPR) and European Directive 2016/680 on General Data Protection (GDPD), to ensure sufficient protection and security of personal data. Personal data is any information relating to an identified or identifiable individual. The Vidimsoft Client Portal will in particular store the following personal data. Customer specific data such as: Account ID, Email Address, Password, Title, First Name, Last Name, Company, Telephone, Mobile, Fax, IVD Device Location Address, Billing Address, Street, City, Postal Code, Country, Preferred Language, Status, Invoice Address, Customer Summary. And order specific data such as: Product IDs, Item Total, Total, Extra Costs, Additional Surcharges, Duties, Shipping Costs.

Personal data will be:

- Processed lawfully and fairly;
- Collected for specified, explicit and legitimate purposes and not processed in a manner that is incompatible with those purposes;
- Adequate, relevant and not excessive in relation to the purposes for which they are processed;
- Accurate and, where necessary, kept up to date; every reasonable step will be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay;
- Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which they are processed;
- Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorized or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organizational measures.

When data is begin processed by the same or another controller:

- The controller is authorized to process such personal data for such a purpose in accordance with Union or Member State law; and
- Processing is necessary and proportionate to that other purpose in accordance with Union or Member State law. 3.

- The controller will have to demonstrate compliance with the paragraphs mentioned in the section 'Personal data will be:'.
-

2. Collection, Storage, Processing, Transfer and Use of Data Required for Providing Service to You

Vidimsoft BVBA operates the Vidimsoft Client Portal which is intended to provide a continuously optimized and convenient online platform that enables customers to inform themselves about Vidimsoft products, up-to-date IFUs, latest software version of their products and to place orders electronically for licenses which will then be executed by Vidimsoft BVBA.

For that purpose, you confirm that Vidimsoft BVBA is authorized to collect, store, process, transfer and use the following personal data that is stored about you when you register with the Vidimsoft Client Portal: Account ID, Email Address, Password, Title, First Name, Last Name, Company, Telephone, Mobile, Fax, IVD Device Location Address, Billing Address, Street, City, Postal Code, Country, Preferred Language, Status, Invoice Address, Product IDs, Item Total, Total, Extra Costs, Additional Surcharges, Duties, Shipping Costs. In particular, you agree to the transfer of the provided personal data to Vidimsoft BVBA which complies with regulation 2016/679 on General Data Protection (GDPR). If you agree to this consent, this will be documented by Vidimsoft BVBA.

If you do not accept this consent, you will not be able to place orders or download material from the Vidimsoft Client Portal because we would in this case not be able to process your data and in consequence cannot provide the requested service to you.

3. Collection, Storage, Processing, Transfer and Use of Data Required to Improve Our Services to You

In addition to the data described in the previous section, Vidimsoft BVBA collects anonymous data about the use of the Client Portal for recognizing returning visitors and for improving usability based on anonymous behavioral visitor profiles. For that purpose the Vidimsoft Client Portal uses "cookies", which are text files stored on your computer. These cookies are intended for recognizing visitors and for supporting user convenience.

4. Other Use of Data and Disclosure

Vidimsoft BVBA will not use and transfer personal data to other third parties without your prior agreement. However, Vidimsoft BVBA can be obliged by authorities to hand out personal data on statutory obligation.

5. Deletion and Correction of Data

You can cancel the agreement for the storage and processing of your personal data at any time. In this case, we will cancel your registration and use of Vidimsoft Client Portal. Personal data that were required for the execution of a contract that was agreed with you before the receipt of the cancellation will be deleted after completion of that contract. In case of legal obligation, your data will be stored solely for this purpose. The data will then be deleted automatically after the completion of the contract and after the legally required data retention period. You can ask Vidimsoft BVBA for the correction of inaccuracies in the information related to yourself.
